

PETRA ENERGY
Powering the future

For All Your
Energy
Needs

9534 Arcade Dr, Spring, TX 77379, USA

ABOUT US

Headquartered in Houston with 45 years of experience, Petra Energy specializes in offering complete supply chain management solutions to the energy industry. Developing innovative tools, skills, and technologies to integrate and expedite the supply chain in the most complex geographies is what we do best.

Established in 1972, Petra Energy leverages its extensive experience to cultivate strong partnerships with clients, contractors, and suppliers both domestically and internationally. Our specialized knowledge and unwavering commitment to delivering effective solutions have helped us solidify our relationships and maintain a trusted reputation.

PETRA ENERGY
Powering the future

With offices in the USA, Singapore, Poland, UK, UAE, Qatar, and Iraq, Petra Energy facilitates strategic commodity procurement and provides clients with unbeatable pricing and rapid delivery times. Our strategic global presence enables us to efficiently serve markets in Europe, the Middle East, and Asia.

OUR VISION

Our vision is to become a vital partner for our clients by providing efficient processes, personalized solutions, and exceptional customer service. We are committed to being at the forefront of the ever - changing energy industry by assembling a team of the brightest minds to tackle the energy challenges of the future. We continually strive to build a network of experts and vendors who can offer cutting - edge solutions, empowering clients to make informed decisions for their businesses.

PETRA ENERGY
Powering the future

OUR MISSION

Our mission is to excel in all aspects of our business through an extensive range of services, a robust supply chain network, and a history of exceptional customer service. Our commitment to excellence is reflected in our laser focus on the energy sector. Our goal is to align with our customers' objectives, providing them with market-leading value and a competitive advantage over their competitors.

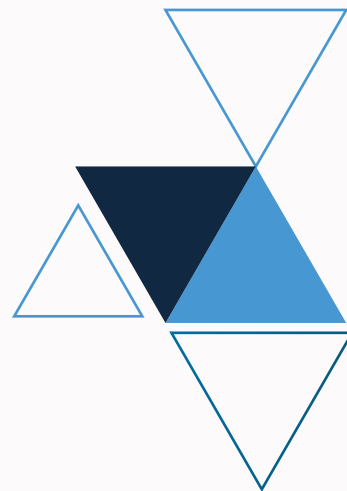

PROCUREMENT

Our sourcing program takes a holistic approach to optimizing supplier selection by aligning with your overall business goals. Rather than solely focusing on cost reduction, we delve deeper into the market's capabilities to identify innovative solutions and enhance business performance.

LOGISTICS

Petra has established a far-reaching network of offices in key locations and partnerships around the world to provide logistics and freight-forwarding services to its global clientele. Our substantial logistical network spans the US, Europe, Middle East, and Asia, with seamless connections to major sea and airports. When you partner with us, you can expect:

-

PETRA ENERGY – SCOPE OF SUPPLY

With a legacy of 45 years in the industry, Petra is a trusted provider of premium quality materials. Our extensive supply capabilities encompass a broad range of energy and oilfield materials and equipment. Our highly experienced procurement team is equipped to offer customized solutions to meet even the most demanding quality requirements and expectations of our clients. Our supplier network has been meticulously cultivated through years of research, expertise, and customer feedback, ensuring that you receive the optimal solution for your needs.

VALVES AND FITTINGS

Scope: Butterfly Valve, Gate Valve, Ball Valve, DBB Valve, Check Valve, Globe Valve, Needle Valve, Gasket, Couplings, Stud Bolts, Flanges, Elbow Pipe, Tee Pipe, Reducer, Weldolet

PLUMBING MATERIALS

Scope: Pipe, Tubing, Fittings, Plumbing Valves, Gaskets, Bathroom Hardware, Faucets

ELECTRICAL & ELECTRONIC PRODUCTS

Scope: Cables, Circuit Breakers, Relays, Capacitors, Flow Sensors, Switches, Installation Box, Distribution Board

PUMPS AND MOTORS

Scope: Centrifugal Pump, Dosing Pump, Reciprocating Pump, Submersible Pump, Metering Pump, Double Diaphragm Pump, Hydraulic Pump, Borehole and Surface Pump

FLOW CONTROL & FLUID TRANSFER EQUIPMENTS

Scope: Pressure Gauges, Flow Meter, Level Gauge, Hose

FLUID POWER EQUIPMENTS

Scope: Hydraulic Workshop Containers, Hydraulic Winches, Hydraulic Power Units (HPUs), Flushing Skids, Filter Skids, High Pressure Test Units (HPTUs)

GENERATORS AND SPARE PARTS

Scope: FG Wilson, Cummins, Perkins, Caterpillar, Transmission Belts, Engine Parts, Filters, Connecting Rods

BUILDING AND CONSTRUCTION MATERIALS

Scope: Wood, Concrete, Steel, Cement, Aggregates, Bricks, Clay, Metals

BUILDING AUTOMATION MATERIALS

Scope: Lighting Control Systems, HVAC Systems, Iot Devices, Smart Plumbing Systems

MANUFACTURING & PROCESS EQUIPMENT

Scope: Heat Exchangers, Coolers, Filters, Packaging Machinery, Shredders, Centrifuges

LUBRICANTS AND CHEMICALS

Scope: Grease, Sealants, Engine Oil, Rust Removers, Oils, Paints, Couplants

MATERIAL HANDLING & PACKAGING EQUIPMENT

Scope: Pallet Jack, Forklifts, Trolleys, Order Pickers, AGVs

MECHANICAL COMPONENTS

Scope: Bush, Bearings, Nuts, Bolts, Rods, Gears, Springs, Belts and Pulleys

AUTOMOTIVE EQUIPMENT AND TYRES

Scope: Engine Parts, Gears, Transmission, Bearings

MOTION AND CONTROL PRODUCTS

Scope: Motion Control Drive, Gearboxes, Electric Actuators

SAFETY EQUIPMENT

Scope: Helmets, Masks, Safety Vests, Coveralls, Boots, Gloves, Fire Extinguisher

BATTERIES

Scope: Industrial Batteries, Lithium-Ion Batteries, Alkaline And NiMH Batteries

DFAC PROVISIONS

Scope: Aprons & Uniforms, Brushes, Gloves, Coffee Machines

CLEANING SUPPLIES

Scope: Detergent, Dishwashers, Glass Cleaner, Wet Wipes, Air Purifier

MEDICAL AND PHARMACY SUPPLIES

Scope: Thermometer, Nebulizer, Blood Pressure Monitor, First Aid Kit, Surgical Masks, Portable Ventilator

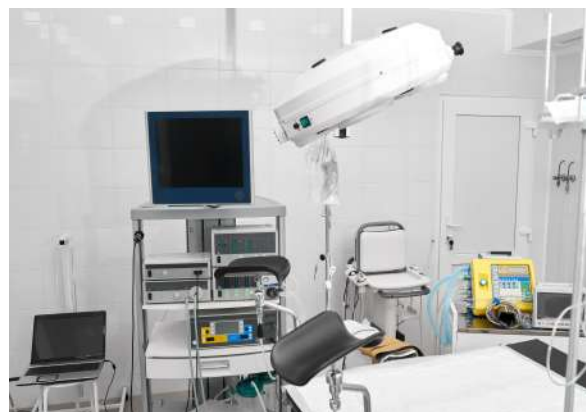

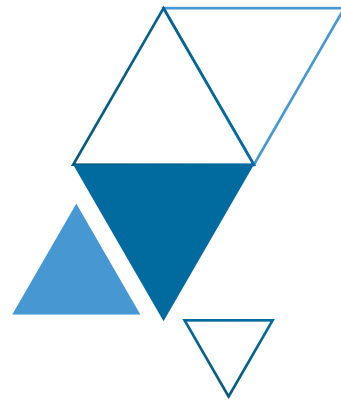

SPECIALIZED INDUSTRIAL PRODUCTS

Powering the future

DOWN HOLE DRILLING TOOLS

Petra Energy specializes in the production of high-quality, innovative drilling tools and equipment that stand out from the competition. With over 50 years of expertise in the design and manufacture of premium drilling equipment from our parent company, we offer a comprehensive range of cutting-edge products to meet your every need.

Our product portfolio includes Hole Straighteners, Shock Subs, Mechanical Drilling Jars, Eccentric Drill Collars, Non-Rotating Stabilizers for open-hole drilling, Bumper Safety Joints, and many more. Our tools are engineered for maximum efficiency, reduced operational costs, low maintenance, and unparalleled durability.

Our drilling tools are utilized by energy companies worldwide.

Download our complete catalogue of specialized drilling tools by clicking [HERE](#).

SUBCONTRACTS

Petra is equipped to handle any type of subcontract work, including catering, transportation services, construction, water treatment, and the leasing and maintenance of vehicles and equipment.

Our offerings include material handling equipment, generators, industrial kitchen equipment, reefer containers, portable restrooms, and tower lights.

Additionally, we provide comprehensive solutions to address the challenges of wastewater treatment and water management.
